TO RECONCILE YOUR STATEMENT AND CHECKBOOK

1. Add to your checkbook balance any loan advances or other credits appearing on the statement which you have not previously recorded.
2. Deduct from your checkbook balance any bank charges or other debits appearing on the statement which you have not previously recorded.
3. If your checks are serialized, examine the listing on the front of this statement and check off the items against the entries in your checkbook. An asterisk in the listing indicates a gap where one or more checks are not on this statement.

If your checks are not serialized, arrange them by date or number and check them off against the entries in your checkbook.
4. List any checks or debits issued by you and not shown on the statement, and any bank charges since the statement date, in the area provided at the right.

5. List last balance shown on statement

+ Plus: Deposits and credits made after date of last entry on statement

Subtotal

— **Minus:** Total of outstanding checks and debits

= Balance: Which should agree with your checkbook

**PERSONAL OVERDRAFT LINE OF CREDIT, STAR ACCESS
LINE OF CREDIT AND HOME EQUITY LINE OF CREDIT
COMPUTATION OF FINANCE CHARGES**

A daily FINANCE CHARGE will be imposed on all credit advances made under your Credit line imposed from the date of each credit advance based on the "average daily balance" method. To get the average daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any payments or credits and any unpaid FINANCE CHARGES. This gives us a daily balance. Then, we add up all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle.

Any FINANCE CHARGE is determined by applying the "Periodic Rate" to the balance described above through the Statement Date. Then we multiply by the number of days in the billing cycle. This is your FINANCE CHARGE calculated by applying the "Periodic Rate." The FINANCE CHARGE will continue to accrue daily until the payment is posted. Any FINANCE CHARGE which accrues after the Statement Date will appear on your next statement.

NOTICE OF ADJUSTMENT TO YOUR STAR ACCESS LINE OF CREDIT AND/OR HOME EQUITY LINE OF CREDIT

This billing statement is also a Notice of Adjustment for your account. Your monthly payment has been adjusted because the outstanding balance, FINANCE CHARGE or both are different this month. These changes depend on whether you received additional loans or credits, or whether you made any principal prepayments since your last statement.

Payment changes may also be due to annual percentage rate adjustments.

If your loan has a variable rate feature, the annual percentage rate and corresponding periodic rate may vary. To identify the precise change in your payment, balance and rate, refer to the amounts indicated on the front of this statement and on last month's statement. If you would like us to send you a copy of last month's statement, contact us at the inquiry address or phone number shown on the front of your statement.

**IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR
ELECTRONIC TRANSFERS FOR DEPOSIT ACCOUNTS**

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address shown on the front of your statement, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa®-branded Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa®-branded Debit Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.
